

## ***Embedded Librarians: Integrating Information Literacy Instruction at the Point of Need***

Co-hosted by  
ACRL/NY &

Kurt R. Schmeller Library, Queensborough Community College, CUNY

---

More and more libraries are adopting embedded librarianship as an approach to creating an integrated and sustained library instruction presence in classes across the curriculum. Want to learn more about successful embedded projects? Join ACRL Live e-Learning Webcast!

### **Learning Outcomes:**

- Learn about established best practices for embedding in order to adapt these practices to their own teaching practice.
- Learn about models for assessment of embedded librarian projects in order to design effective, assessable projects.

**Presenters:** Cass Kvenild and Kaijsa Calkins, University of Wyoming
